Dear Pastors
   Lay Ecclesial Ministers
   Parish Catechetical Leaders
   Principals
   Catechists
   Parents

   The most important and lasting work of the Church is in passing the faith on to subsequent
generations. To that end every Catholic has the responsibility of not only understanding our faith, but
living out our faith to its fullest expression in sharing it with others. It is essential that the work of faith
formation builds on the solid foundation of the Gospel and the teaching of the Catholic Church.

   We are excited to publish these updated catechetical curriculum guidelines. These guidelines are
to provide concise expectations of what each grade level should comprehend at each year’s end. It is
through teaching these beliefs that we aid those entrusted to us to deepen their relationship with God.
Moreover, we hope to inspire a love for learning, growing and loving our faith in a way that is life-long.

   My prayer for you in your catechetical ministry is that you may be inspired as you inspire. Thank
you for opening your heart to the most critical work of the Church. Your work, and the work of cate-
chists around the diocese, ensures the faith is appropriated to the next generation.

   It is my hope that these guidelines will help in the education of our young people through in-
struction on Scripture, Tradition, prayer, liturgy, social justice and the life of the Church in the world
today. This document is meant to be a living, viable resource to assist in the process of evangelization
and catechesis.

   May the Lord continue to bless you in your ministry of serving God’s people.

   With prayerful best wishes, I am

   Sincerely in the Lord,
   Joseph Kopacz, D.D., PhD.
   Bishop of Jackson

CATECHIST COMPANION
A Curriculum Guide for Catechesis and Religious Education

INTRODUCTION:
Catechesis, properly employed, should lead both the catechists and students to a deeper understanding and knowledge of faith in an intimate relationship with God. This is accomplished through engaging equally both our intellect and our hearts in experiencing God’s presence (through prayer and liturgy) and daily living out our faith.

This manual is to provide guidelines for those charged with the official teaching of the Catholic Church’s doctrine, faith and traditions. These guidelines will aid in the application of teaching the fundamental theological and pastoral principles of the Faith.

The National Directory for Catechesis (NDC) and the General Directory for Catechesis (GDC) identify the tasks of the catechetical ministry:

- To promote the knowledge of the faith.
- To promote a knowledge of the meaning of the Liturgy and Sacraments.
- To promote moral formation in Jesus Christ.
- To promote prayer and how to pray.
- To promote living in community and participating actively in the life and mission of the Church.
- To promote a missionary spirit that leads God’s people to be the living presence of Christ in society.

Using these six tasks and employing the major themes from the General Directory for Catechesis (GDC), National Directory for Catechesis (NDC), and other appropriate catechetical materials, the Catechist Companion is divided by grade level. The major themes include: 1) The Trinity; 2) The Centrality of Christ in the Church, Sacraments, and Prayer Life of the Christian; 3) The Treatment of the Theology of Church; 4) The Sacramental Life of Christ; 5) The Moral and Social Teachings of the Church; 6) The Church’s Teaching on the Dignity of Human Life and Value of a Chaste Life. Each of these themes should be developed on an age appropriate level with the ultimate goal of bringing children into closer relationship with God in order to proclaim the Good News of Jesus Christ.

“Every form of catechesis would do well to attend to the “way of beauty” (via pulchritudinis). Proclaiming Christ means showing that to believe in and to follow him is not only something right and true, but also something beautiful, capable of filling life with new splendor and profound joy, even in the midst of difficulties. Every expression of true beauty can thus be acknowledged as a path leading to an encounter with the Lord Jesus.”
— Pope Francis

It is our hope and prayer that these guidelines will aid the catechetical leader, the catechists, and parents in the educational ministry entrusted to them by the Church. May the joy and splendor of beauty in encountering Christ be brought to fruition in our parishes, schools, and homes.

CATECHETICAL FORMATION IN CHASTE LIVING

Catholic youth are encouraged to cherish their dignity as a human being made in God’s image and likeness and to cherish others in that same dignity of personhood. These guiding principles and curriculum guidelines are meant to help the youth of our Diocese deepen their relationship with Christ and the Church through joyfully embracing the call to love and live chaste lives either as a married follower of Christ or as a celibate person. Our purpose is to focus on the moral religious foundations of the teachings of the Catholic Church. We are guided by the Holy Spirit and the relational love witnessed through the Holy Trinity and thus as followers of Jesus, the second person of the Trinity, we are called to live and share in this same love of the Triune God. Faithful to Jesus’ teaching and call we urge those charged with the catechesis of our young people namely Parents/Guardians and Catechists, to embrace the catechetical call of Chaste Living by witnessing and teaching the importance of the sacramental life of the church and the cultivation of the Cardinal and Theological Virtues, The Ten Commandments, and the Beatitudes.

GUIDING PRINCIPLES

1. Human beings are created in God’s own image and created for love.

2. Individually human beings reflect creation in the image and likeness of God by having an intellect, free will, and the capacity of making truly human and moral acts.

3. Being created in God’s image enables human beings to share in God’s love, express love in marriage through the generating of new life, and through selfless giving.

4. Grace and friendship with God was lost through a free act of disobedience called Original Sin.

5. The effects of Original Sin are:
   - Loss of Grace
   - Damage to the harmony of body, intellect and will
   - Reduced ability to love unselfishly
   - Experience of Shame
   - Confusion about the nature and purpose of the human body
   - Being subject to temptation to sin
   - Death

6. God didn’t abandon human beings.

7. God sent Jesus to accomplish our redemption.

8. Jesus knows us and loves us.

9. Jesus taught us how to live and gave us the gift of new life through the Holy Spirit.

10. Christian morality consists in following Jesus, being transformed by His grace and renewed in His mercy
11. Moral formation involves a journey of interior transformation and conversion to Christ

12. We do not lead the moral life on our own. God helps and transforms us by the power of grace.

13. A virtue is a habitual and firm disposition to do what is right and good.

14. The cardinal virtues are acquired by effort as a result of education, deliberate acts, and perseverance in repeated morally good acts. All human virtues are related to the cardinal virtues.

15. The theological virtues are the foundation of Christian moral activity. They aid humans to grow in a generous and self-giving love that is foundational for a chaste life.

16. The seven gifts of the Holy Spirit complete and perfect the virtues.
17. Christ’s gift of salvation offers humans the grace to maintain moral balance and persevere in the pursuit of the virtues.

18. The glory of salvation is experienced through the 12 fruits of the Holy Spirit.

19. The Ten Commandments, the Beatitudes, and the Four Precepts of the Church instruct us in how humans are to live and act in union with God.

20. Chastity is a virtue that allows us to do right, good and loving acts in the area of relationship and sexuality.

21. Chastity promotes the full integration of sexuality in accord with a person’s state of life. Chastity promotes abstention from immoral sexual activity.

22. Chastity includes training in human freedom and the result of hard personal work and interior work.

23. Chastity flows from the moral virtue of temperance that helps direct our sexuality and sexual desires toward authentic love. It is not a repression of sexual feelings but is the successful integration of the gift of sexuality.

24. Christ’s disciples need to be aware of and resist temptation to engage in activities which are violations of chastity. These violations are sinful.

25. For any who fail to live Chaste lives, forgiveness is given through Christ in the Sacrament of Reconciliation. We need God’s grace to help us live a chaste life.

26. Conjugal love between a husband and wife is part of God’s plan for humanity. It is a mutual gift of self. Married people are called to love in conjugal chastity; unmarried people to live in a chastity of continence.

27. Pornography defames the intimacy of the marital act and injures the dignity of God’s people.
28. The unity of the spouse and the gift of life go together through the marital act. Any sexual activity outside the marriage defames the sanctity of marriage. (i.e. premarital sex, extramarital sex and cohabitation)

29. The unity of a couple shown through the marital act is manifested in creating new life. Therefore no means should be used to discourage procreation such as artificial birth control. If a couple is not able to conceive a child no artificial means of conception are allowed since it is the conjugal act of love that results in the gifts of new life.

30. The existence of homosexual tendencies is not sinful; however acting upon these tendencies in homosexual acts is contrary to chastity, natural law and is closed to the gift of life. In this same manner same sex marriages do not contain the elements essential to God’s plan for marriage and therefore lack the benefit of a sacramental covenant and the ability to generate new life.

31. The Blessed Mother, through prayer and devotion, will assist people in living a chaste life.

THE EUCHARIST CANONICAL DIRECTIVES

I. PREPARATION

Because the Eucharist is the source and summit of the Catholic Christian life, catechetical preparation is essential prior to the celebration of the conferral of the Sacrament. The responsibility for this preparation lies first and foremost with the parents, then the pastor, who may delegate this role to the pastoral minister of Faith Formation, and lastly the responsibility lies with the entire Faith Community.

Parents

Parents must be provided the opportunity for proper catechesis on the Eucharist and what their role as a Catholic Parent is in providing for the spiritual life of their children (this was begun in the parent classes for Baptism). Emphasis should be given to sacramental catechesis as opposed to religious education classes.

Children

Sacramental catechesis emphasizes the difference between preparation for the conferral of a sacrament and the continuing religious formation of the children (this is life-long). Sacramental catechesis allows the candidates for the sacrament to ‘break open’ and experience the richness of the symbols of the Eucharist and the Eucharistic Liturgy.

Children must participate in the PARISH sacramental catechetical process for Eucharist even if they are in a 'home-school' religious education program.

It is of utmost importance that the children preparing for the Sacrament of Eucharist realize the difference between bread used in meals and the Eucharistic bread of the Body of Christ celebrated in the Eucharistic Liturgy. Specific guidelines for Sacramental Catechesis for Eucharist may be found in the Catechist Companion.

II. PREPARATION

Because the Sacrament of Penance is such an important dimension of the Catholic Christian life, catechetical preparation is essential prior to the celebration of the conferral of the Sacrament. The responsibility for this preparation lies first and foremost with the parents, then the pastor, who may delegate this role to the pastoral minister of Faith Formation, and lastly the responsibility lies with the entire Faith community. It is the policy of the Diocese that children must be properly prepared for the Sacrament of Penance and the sacrament be offered to them prior to receipt of First Communion.

Parents

Parents must be provided the opportunity for proper catechesis on Penance and what their role as a Catholic Parent is in providing for the spiritual life of their children (this was begun in the parent classes for Baptism). Emphasis should be given to sacramental catechesis as opposed to religious education classes.

Children

Sacramental catechesis emphasizes the difference between preparation for the conferral of a sacrament and the continuing religious formation of the children (this is life-long). Sacramental catechesis allows the candidates for the sacrament to ‘break open’ and experience the richness of the symbols of Reconciliation and the mercy of God.

Children must participate in the PARISH sacramental catechetical process for Penance even if they are in a ‘home-school’ religious education program.

It is of utmost importance that the children preparing for the Sacrament of Penance are catechized in the five areas of this sacrament:

- **a. Confession of sins**
  1) Awareness of what sin is
  2) Knowledge of the Ten Commandments
- **b. Contrition of sins**
  1) Know what contrition is
  2) Know the Act of Contrition
- **c. Absolution**
  1) Know that the priest absolves sins in the name of God
  2) Absolution ‘takes the sin’ away with true contrition
- **d. Penance**
  1) Penance is the response of the sinner with true contrition and the resolve not to sin again
  2) Penance may be various forms
- **e. Reconciliation**
  1) Reconciliation is the end result of the sacrament
  2) Reconciliation is the renewal of the friendship with God.

Specific guidelines for Sacramental Catechesis for Penance may be found in the Catechist Companion.

SUMMARY OF GUIDELINES FOR CONFIRMATION

Ordinarily the sacrament is administered by the bishop so that there will be a more evident relationship to the local diocesan Church and the pouring forth of the Holy Spirit on the day of Pentecost. “In this way the reception of the Spirit through the ministry of the bishop shows the close bond which joins the confirmed to the Church…” (Rite of Confirmation #7)

- **Candidates** in the Diocese of Jackson are to be in at least the 10th or 11th grades.
- The elementary and junior high religious education program and/or school program is viewed as the remote preparation. Candidates must participate in the total preparation for Confirmation as provided by the parish.
- When entering the immediate preparation, a candidate must provide a certificate of Baptism or evidence of profession of faith in the Catholic Church.
- The **Catechists or Members of the Confirmation Team** are fully initiated, active parish members who are sensitive to the faith development of youth and can share with them the Church’s teaching on this sacrament.
- **Catechesis** for all sacraments “takes place within the parish community, which has an obligation to participate in the catechetical preparation. The parish is the faith community into whose life of prayer and worship the candidate is being initiated” (Sharing the Light of Faith, #119). It is the responsibility of the local pastor to ensure that those who ask for a sacrament are prepared (Canon #843). For these reasons, the children in the parish religious education program and/or school program are to celebrate the sacrament together and to have some common preparation.

PREPARATION OF THE CONFIRMATION CELEBRATION

The Liturgical Guidelines for the celebration of Confirmation are to be followed. The liturgical time for celebrating Confirmation is usually during the Easter Season, between Easter Sunday and final Sunday of May.

Regarding Confirmation, the following are points to remember:

**Sponsors:** Ordinarily, each candidate will have a sponsor. It is desirable that the godparent at Baptism serve as sponsor at Confirmation (Rite of Confirmation, #5).

Parents may present their sons and daughters for Confirmation if they so desire, but may not serve as the sponsor. The sponsor can be of either sex, but must be 16 years of age and must be a fully initiated, practicing Catholic and active member of the parish community.

**Community:** The celebration of Confirmation is a parish event. The entire congregation should be encouraged to participate in the celebration.

**Name:** Candidates are encouraged to keep their baptismal name but may choose another Christian or saint’s name if they so desire.

The Confirmation date and the names of those who received the sacrament are recorded in the parish register, and notification is sent to the church of baptism (Canon Law, #895).

SACRAMENTAL PREPARATION

*Every form of catechesis is oriented in some way toward the catechesis of adults, who are capable of a full response to God’s Word. Catechesis is a lifelong process for the individual and a constant concerted pastoral activity of the Christian community.*

Sharing the Light of Faith # 32
PARENTAL INVOLVEMENT IN SACRAMENTAL PREPARATION

It is the primary responsibility and duty of the parents, and of those who take their place, to ensure that children are properly prepared for the celebration of the sacraments of Confirmation, Eucharist and Reconciliation (Code of Canon Law, #914). The reception of a sacrament is an important time in the life of the faith community. It is also a time when adult believers can enrich and deepen their own faith and knowledge of the faith. These events should be carefully planned for and celebrated by the whole community.

It is thus Diocesan Policy for the parish to provide parental meetings of four to six hours. Parishes or schools are to provide sufficient information which will enable the parents to assist the child in readiness to celebrate these Sacraments.

Diocesan Guidelines are listed in the index of this Resource Book for the Sacraments of Eucharist, Reconciliation and Confirmation.

SUMMARY OF GUIDELINES FOR BAPTISM FOR CHILDREN OF CATECHETICAL AGE

Since children who have reached the use of reason are considered, for purposes of Christian initiation, to be adults (Canon 852:1), their formation should follow the general pattern of the ordinary catechumenate as far as possible, with the appropriate adaptations permitted by the ritual. They should receive the sacraments of baptism, confirmation, and Eucharist at the Easter Vigil, together with the older catechumens.

National Statues for the Catechumenate, #18
NCCB, November 11, 1986

Candidates are those in the second grade or older who are presented for initiation into the Catholic Church. Candidates will be prepared for and receive the Sacraments of Initiation (Baptism, Confirmation and Eucharist) in the same ceremony. These Candidates must be currently enrolled in a Catholic School or in the Parish Religious Education Program in addition to special preparation for initiation.

Parents are the primary religious educators of their children. Under ordinary circumstances, they must give explicit permission for the child’s initiation, and participate in the catechetical program offered for their children.

Each candidate is assigned a sponsor who is a fully initiated, active, participating member of the parish. The catechist is a fully initiated, active member of the parish community who is sensitive to the faith development of children and is able to share with them the Church’s teaching.

A Catechetical Program of one to two years is to be planned individually for these candidates.

It is desirable that the Sacraments of Initiation be celebrated at the Easter Vigil ceremony (RCIA, #310). They are never celebrated during Advent or Lent.

Dates and names of those who were initiated are recorded in the Parish register immediately after the sacramental celebration.
SUMMARY OF GUIDELINES FOR FIRST RECONCILIATION

It is the responsibility, in the first place, of parents and those who take the place of parents as well as of the pastor to see that children who have reached the use of reason are correctly prepared and are nourished by the divine food as early as possible, preceded by sacramental confession.

(Canon Law # 914)

A child who has reached the age of discretion (age seven) must be given the preparation to receive First Reconciliation. He/she is to be enrolled in the parish religious education program and/or school program for one year prior to entering the immediate preparation program for First Reconciliation. While seven-year olds must be given the preparation to participate in First Reconciliation, it would be beyond the Church’s law to require that all children celebrate First Reconciliation at the same age. For anyone who decides to delay First Reconciliation beyond the age of seven, an explicit invitation is to be made annually to celebrate this sacrament, and suitable preparation is to be given.

A certificate of Baptism or evidence of profession of faith in the Catholic Church is required prior to First Reconciliation.

Parents are expected to participate in the total preparation of their children and are to be provided with four to six hours of instruction prior to celebration of the sacrament.

The catechist is a fully initiated, active parish member who is sensitive to children’s faith development and is able to share with them the Church’s teaching on this sacrament.

Criteria for discerning the child’s readiness for the sacrament:
- Is able to make choices and understand the effect of his/her actions,
- Understands that we belong to Christ and to the Church Community,
- Is able to relate to Jesus as one who forgives,
- Desires to receive the sacrament,
- Is able to understand the Sacrament of Reconciliation as a special way in which God forgives,
- Attends Sunday liturgies on a weekly basis

Preparation and Celebration of First Reconciliation is to be appropriately separated from that of First Communion, so that each sacrament receives the attention it deserves.

The candidate is encouraged to celebrate reconciliation with his or her family at a communal celebration. The parish should provide various options and opportunities for sacramental celebration in accord with guidelines on the Rite of Penance. Each child should always be free to choose his/her own confessor.
SUMMARY OF GUIDELINES FOR FIRST COMMUNION

For the administration of the Most Holy Eucharist to children, it is required that they have sufficient knowledge and careful preparation so as to understand the mystery of Christ according to their capacity, and can receive the Body of the Lord with faith and devotion.

(Canon Law, #913)

Candidates must be in at least second grade and have participated in a religious education program for one year prior to entrance into the program for immediate catechesis for First Communion.

A candidate must provide a certificate of Baptism or evidence of profession of faith in the Catholic Church prior to reception of Eucharist.

“Parents have the right and duty to be intimately involved in preparing their children for First Communion.” (NCD #122) Therefore, prior to First Communion, four to six hours of parent meetings are to be offered.

The catechist is a fully initiated, active parish member who is sensitive to the faith development of children and is able to share with them the Church’s teaching on this Sacrament.

Criteria for discerning readiness of the child for this sacrament are:
- Desires to receive the sacrament,
- Is able to distinguish between ordinary unconsecrated bread and Eucharist,
- Attends the Eucharistic Liturgy weekly,
- Evidences the beginning of a prayer life,
- Understands the meaning of belonging to the Christian Community through Baptism.

The decision about when an individual is ready to celebrate First Communion is properly the right of the child and the responsibility of parents.

Catechesis/instruction for First Communion is to be conducted separately from catechesis for the Sacrament of Reconciliation.

Catechesis for all sacraments “takes place within the parish community, which has an obligation to participate in the catechetical preparation. The parish is the faith community into whose life of prayer and worship the candidate is being initiated” (Sharing the Light of Faith, #119). It is the responsibility of the local pastor to ensure that those who ask for a sacrament are prepared (Canon Law, #843). For these reasons, the children in the parish religious education program and/or the school program are to celebrate the sacrament together and to have some common preparation.

Following the First Communion celebration, the date and the names of those who received First Communion are recorded in the parish register.

The Passover Meal
The Passover was celebrated as a Memorial Meal commemorating the liberation of the chosen people from slavery in Egypt. It was a Thanksgiving Meal praising God for His first great act of redemption, the delivery of the Jewish nation from bondage. It was a Covenant Meal uniting God and all His people. It was a Communion Meal in which all the people shared in His gifts.

The Mass as a Sacrifice, a Meal, a Memorial Celebration
The Eucharist is offered as a sacrifice. Jesus, the Lamb of God who takes away the sins of the world, becomes for us the final sacrifice.
A meal is offered in thanksgiving and as part of our covenant with God.
It is a memorial of the Last Supper in which Jesus asked us to, ‘Do this in memory of Him.”
The Eucharist is a memorial of Jesus’ saving action as He delivered us from sin.
Real Presence: Jesus said, “Take, eat and drink, this is my body, ... This is my blood.”
Jesus is truly present where two or three are gathered, in our priests, in the Word of God, in the Eucharist, in the community and in apostolic works of mercy.
Jesus as the Bread of Life is our “spiritual food” which nourishes our faith.
The Mass is a celebration in that we gather in communion with our Lord and each other.
The Eucharistic Liturgy becomes for us a sign of Christian unity and belonging.

CONFIRMATION  
Be Sealed With the Gift of the Holy Spirit

PARISH
The parish provides Confirmation preparation in partnership with the role of parents as primary religious educators. The Sacrament of Confirmation rightly belongs to the Bishop of the Diocese who is charged with sealing the Gifts of the Holy Spirit and anointing the Candidates. The celebration of Confirmation itself is a parish event. The parish is the faith community into whose life of prayer and worship the candidate is being initiated, (Sharing the Light of Faith, #119). It is the Pastor’s responsibility to insure that those who ask for the Sacrament are prepared (Canon #843).

The purpose of catechesis during Confirmation preparation is to enable our youth to participate actively in the prayer and worship of the Church. Confirmation completes the Sacraments of Initiation, which include Baptism, Eucharist and Confirmation.

Some common elements in a Confirmation program include:
- Doctrinal Study
- Liturgical participation
- Retreat experience
- Service Projects

CANDIDATES
Candidates must be baptized, in the state of grace, properly instructed and able to renew his or her baptismal promises, (Rite of Confirmation #12). Ordinarily, the Candidate:
- Tenth or eleventh grade
- Provides a Certificate of Baptism
- Has a minimum of one (1) year preparation

Readiness is determined by the following criteria:
- A willingness to be involved in the communal and apostolic aspects of the program.
- A willingness to participate in the communal worship of God.
- A willingness to grow in an understanding of the sacred mysteries, as found in Scripture and Tradition.
- A willingness expressed by the person to share his or her gifts with the communities of which he or she is a part.
- An ability of the person to freely request the Sacrament of Confirmation and to give his or her reasons for doing so.

Candidates freely choose to receive the Sacrament of Confirmation. The Candidate should indicate to the Bishop their desire to receive the Sacrament on the occasion offered.
Preparation for the Sacrament includes the continual process of conversion and full, active and conscious participation in the life of the Church including Mass. (R.C.I.A. #1). The Candidate also writes a letter to the Bishop formally requesting the Sacrament of Confirmation.

In order to emphasize the connection between Baptism and Confirmation the Candidate is encouraged to keep their Baptismal Name as their Confirmation Name. Whenever possible it is also encouraged to have the godparents as the sponsor of Confirmation.

**PARENTS**

Parents are expected to participate in an adult education program for Confirmation preparation. Parents are expected to become involved with their candidates by:

- Renewing their appreciation of what it means to be a Christian
- Growing in their personal relationship with Jesus
- Attending adult education programs which will help them understand the meaning of Confirmation for Christian living
- Help the candidate freely request the Sacrament
- Continue to be a source of encouragement and support to the person after Confirmation.

**SPONSORS**

Each Candidate will have a sponsor. It is desirable that the godparent at Baptism serves as a sponsor at Confirmation. (Canon Law, #872-874) Sponsors must be at least sixteen (16) years of age and must be a fully initiated, practicing Catholic and an active member of the parish community. Sponsors who are married should be in a valid Catholic marriage. All sponsors should be living according to the moral teachings of the Catholic Church. Sponsors journey with the Candidate during the preparation process and continue to share in their faith journey throughout the life of the Candidate. A sponsor brings the candidate to receive the Sacrament, presents the candidate to the minister for the anointing and will later help him/her to fulfill his/her baptismal promises. Parents may present their Candidates during the ceremony but may not be sponsors. (Canon Law, #874)

**CURRICULUM**

The preparation of Confirmation Candidates should include meaningful experiences of Christian community living expressed in service, retreat weekends and parish liturgies. The major content areas should include:
